PRODUCT NAME:

NavBoard® FlipLite™

PART NUMBER:

NB-FL02XX

PACKAGE INCLUDES:

NavBoard® FlipLIte™

Adjustable friction hinge

ATTACHING THE FLIPLITE™ TO A PLATEFRAME MODULAR™ (PF-M™)

1 Feed the mounting straps through the uppermost slots.

2 Pull the mounting straps through the appropriate window (approximately 3" below the uppermost slots). Fold the FlipLite phone panel down.

3 Fold the mounting straps up and lock in by pushing down as shown above. Repeat with second strap.

PREPARE FLIPLITE FOR ATTACHING TO CARRIER

1 Push down on bungee lock to release

2 Flip up bungee lock and release. Open FlipLite.

3 Release the two mounting straps. FlipLite is ready for mounting.

4 Attach Velcro to back of device and pull corner retention straps over device to secure.

5 Fold bottom panel up and pull the closure over the bottom panel. The FlipLIte™ is now attached and secured.
